

Dyslexia Information Group - In Tamworth

Dig-iT provides information and support for people with dyslexia of all ages and their families in the Tamworth and South Staffordshire area.

The group holds regular informal drop-ins at two sites where we offer mutual support and guidance and run various activities for children:

Carnegie Centre, Corporation Street, Tamworth, B79 7DN - last Saturday of the month

Community Cafe, Kerria, Amington, Tamworth B77 4EW - first Wednesday of the month

Dates for upcoming sessions can be found on their Events calendar.

About Dig-iT

Dig-iT was set up at the end of 2011 by local people who found that information and support for people with dyslexia in our area was hard to find and access and wanted to do something about it.

The group is run by volunteers who have some experience of dyslexia either personally or through family members.

We are currently seeking funding so that we can extend the range of information, guidance and support that we offer.
