

Numicon

Building a secure future in mathematics for every child

A proven approach to teaching maths for the Primary National Curriculum 2014 and beyond.

Numicon is a curriculum proof, multi-sensory approach, built on a **proven pedagogy** that raises achievement across all ability levels.

Numicon is supported by bespoke, NCETM accredited **professional development** to support and inspire you to deliver the highest quality teaching.

With problem-solving, reasoning and conversation at its heart, *Numicon* perfectly embodies the aims of the Primary National Curriculum 2014 for mathematics:

- Develops **fluency** by using a visual, practical base to develop conceptual understanding and fluent recall.
- Helps children to **reason mathematically** through the use of concrete objects and **spoken language** to explain and justify.
- Develops children into confident **problem-solvers**
